Mail

While you may not expect your child to write to you, receiving mail is an event at Hope Shores! In fact, campers who do not receive mail sometimes become disappointed. You and your friends may write to campers (and camp staff, too)! It is traditional at Hope Shores and a main event at lunch for the Director to read aloud postcards. If you do not want your postcard to be read aloud, please label it "DO NOT READ!" Send mail to:

Please review the following important camp policies:

Medical Policy

Health Record Form: This form *must* be on file at camp while your child is there. Please include the date of their most recent tetanus shot, immunization history, and if they've been exposed to chicken pox or measles.

Medications: All medications brought to camp by a camper should be in containers which are clearly labeled to include the name of the camper, the name of the medication, the dosage, the frequency of administration and the route of administration. All medication prescribed by a physician should, in addition, be labeled to include the name of the prescribing physician, the prescription number, date prescribed, possible adverse reactions, the specific conditions when contact should be made with the physician, and other special instructions as needed. Medications must be turned in at check-in.

Parents are responsible for all doctor and medication expenses that result from their child's illness at camp. Hope Shores has medical insurance for accidents only. A camp nurse is on duty at all times.

Financial Policy

The \$50 deposit is non-refundable.

If you need to cancel your child's registration, please do so through your online account by visiting HOPE-SHORES.ORG and clicking on REGISTRATION.

Financial assistance is available to families unable to pay the full amount of the balance. Please refer to the Youth Camp Scholarship Request form online.

In addition to the camp tuition, you were prompted to add additional store money. This is spending money for pop, candy, crafts, camp sweatshirts, beach towels, blankets, and other souvenirs. An average amount for pop, candy, and store items is \$20-\$35. If you need to change that amount you can return your account and do so.

Unused money can be donated to camp or refunded via our online system. *Please note any monies less than \$10 remaining at the end of the week, will be considered a donation to the camp ministry.* Returning small amounts of money is cost prohibitive for the camp ministry.

Emergencies

You will be notified immediately if your child is involved in an emergency at camp.

In the event of an emergency at home, Hope Shores' phone number is 320-453-2520. Please do not call campers, except in an emergency.

Roommate Request

At the time of registration you had the opportunity to request one other camper to be in the same cabin with your child.

We hope this policy will provide some comfort as well as encourage new friendships beneficial for a child's healthy social development.

Staff

Our staff is made up of college students and professional educators. They are mature, competent, trained Christian leaders, skilled in the camp's activities and sensitive to your camper's needs. The staff is the hallmark of Hope Shores. Lifestyle modeling is especially important for young people. We seek to model Christ at work in our lives in order to make a permanent difference in the lives of those campers who attend Hope Shores.

The success of our camp is due to the personal relationships that our staff develops with their campers. The staff are carefully screened, their references scrutinized, and a criminal background check is completed on each staff member. All staff members attend thorough training before camp begins, as well as on-going training, to assure that your child receives the highest Christian care.
