Camp Packing List

In order for camp life to be fully embraced, we ask that all cell phones, personal music equipment, electronic games and other potential distractions remain at home. In order to support this policy, Camp staff will ask campers to turn in these items at the beginning of the week for the safety of the campers and their electronics. Collected devices will be stored safely in the camp office and returned at the end of the week.

The camp is not responsible for lost or stolen articles. Label all belongings to help ensure their return. A Lost & Found is held after camp sessions, located on tables outside the gym. At the end of summer any left over items will be donated to a worthy cause.
