WORSHIP AT HOPE CHURCH

OCTOBER 3, 2021 YOUTH BAPTISM CELEBRATION STORY

Over the past couple of weeks, Pastor KC and I have been working with a few different families to prepare for a youth baptism on September 26 at Lake Nokomis. There are four students who were baptized and became covenant partners of Hope Church: Grace Campbell, Grace Bury, Ivan Walstrom, and Blanche Dennis.

KC worked with these students through a class to help them understand the decision they are making and the experience that they were going to have. The baptism took place after the 10:00 am service at Lake Nokomis, and all were welcome to join us!

HAPPENING AT HOPE

Walk 4 Water Challenge 2021

Every day millions of women and children in developing countries walk long distances to get the water needed by their family for that day, often from contaminated sources. Some of our mission partners face these conditions and are working to transform their communities.

The Walk4Water Challenge asks each of us to do something small to make a difference. Walk or run each day from October 1-21, carry water to identify with those who have to walk to get their water each day. Invite friends and family to donate something for each mile that you walk or run, or donate something yourself, and pray for these ministries. Go to Hope Church's home page or pick up a flyer for more details.

Meet & Eat Hope Group

We are launching a new Hope Group on Communion Sundays. Pick up a name tag after the 10:00 am service. Then we will meet and eat at a Richfield restaurant. All are welcome! Look for Jim and Gloria Wiese, Paul and Kirstin Berry.
